

PROUDLY PRESENTED BY
ATLANTIC ATHLETIC CLUB

26th August 2019

To all clubs

The **OUTsurance Kfm 94.5 Gun Run** once again invites clubs to bring along a gazebo to our event which takes place on **Sunday, 20 October 2019** in Green Point.

Should you wish to reserve one gazebo site for your club, please email Leigh Goldschmidt at consulting@mweb.co.za before **4 October**.

Clubs are permitted to deliver and position their gazebo on Saturday, 19 October between 12h00 and 16h00. Rifqah Toyer will be the contact person on site and she will have confirmation of all club bookings. Access will be via the Vlei Road entrance only, where security personnel will direct vehicles.

Please note:

- 1) No vehicle may drive on any of the fields but must rather park and offload their club gazebo. This needs to be done as quickly as possible so that others can move through. If there is a build-up of vehicles, drivers may be asked to remain parked and queue for a short while.
- 2) Clubs may not bring/utilise skottels or braais on the grounds. There will be several vendors selling food and beverages on race day.

We look forward to hosting all clubs and participants at this year's OUTsurance Kfm Gun Run. Happy training and see you all on race day in October!

Kind regards

Tina Harkett
